Creature Quest!

Clue Booklet

Davis Bike
Scavenger Hunt 2025

Clues (not in order)

Solve the clues, complete each activity and unite the animal kingdom!

CLUE: “*Shovel* ye way deeper... through the *arch* to where the water stops its flow and the flowers begin to grow. The Nectar Knight awaits your arrival.”

CLUE: “Butterflies, moths, beetles, and more, you’ll find these *bugs* on this *museum* floor.”

CLUE: “To the kingdom where knowledge flows, find the *clinic* where each *small animal* goes. Follow the scrolls, and seek the *lawn*, where tiny paws are cured, one and all.”

CLUE: “No splash, no song, only still, sun-warmed scale. Seek the *lodge* named from the body of water running along our *southern border*, find us at the *stone circle* amphitheater. There the House of Scales keeps watch at its gate.”

CLUE: “In the sky, we have made our mark, Come and find us at **Bird Entry Park!**”

CLUE: “While knights of yore rode noble steeds, this *dog* rides a *tricycle* at top speeds!”

CLUE: “At *Julie’s pond*, frogs may roam, A wooden totem calleth home. Follow thy friends, don’t be slow— The *wooden bridge* is where ye must go!”

Wildlife Conservation Tips & Resources

- Don't feed wild animals
- Opt for sustainable, reusable household items
- Pick up and discard litter
- Maintain a safe distance
- Keep pets on a leash
